# Overview

The LOL Power BI Workshop, held from October 9th to October 13th, 2023, at the Remote Center Hall, WIT Solapur, presented a unique opportunity for participants to enhance their data analytics skills. Running from 4:15 PM to 6:00 PM, the workshop was accessible to members at no cost, while non-members could register for a nominal fee of 50/-. Before the event, participants received Google Classroom invitations for guidance on Power BI installation. The workshop commenced with the unveiling of details about the Power BI Hackathon, and attendees of all sessions were promised a Certificate of Participation. A parallel opportunity, the Power BI Hackathon, required teams of four members, each attending at least three workshop sessions. The deadline for form submission was October 13th, 2023, at 2 pm. Additionally, participants were encouraged to submit assignments and a project by October 25th, 2023, for eligibility to receive a Workshop Completion Certificate from LOL Coding Club, recognizing their commitment to mastering Power BI. The club expressed gratitude for the active participation and dedication of the participants, anticipating their continued growth in the field.

# Feedback

Feedback from participants of the Power BI workshop and hackathon indicates a highly positive and enriching experience. Attendees expressed satisfaction with the informative and interesting sessions, highlighting the acquisition of new knowledge and skills related to Power BI software. The coordinators were commended for their helpfulness and prompt resolution of doubts. The overall sentiment was one of gratitude for the well-conducted workshop followed by hackathon, with participants looking forward to future events. The organizers, referred to as the "LOL Club," were praised for their efforts in providing a wonderful learning opportunity, maintaining motivation, and ensuring a cooperative and interactive learning environment. The workshop and hackathon were acknowledged for its efficiency and the valuable contribution made by fourth-year students. Participants expressed a desire for more such workshops in the future. Overall, the feedback suggests that the workshop and hackathon were a success, leaving a positive impact on the participants' learning experience and potentially benefiting their future careers.
