

S. A. P. D. Jain Pathashala's

# Walchand Institute of Technology, Solapur

An Autonomous Institute

[Department of Computer Science and Engineering](#)

**Organized by: Learning Out Loud Coding Club**

**Name of the Event: "Coding Contest"**

**Poster:**

## Objective:

The Coding Contest aimed to sharpen students' problem-solving capabilities while enhancing their coding expertise. Designed as a platform for students across various years to showcase their skills, the contest promoted a spirit of healthy competition and collaborative learning. The event encouraged participants to refine their programming knowledge, boost their proficiency, and better equip themselves for technical interviews and placement challenges.

## Outcomes:

By the end of the contest, participants will be able to:

- Participants improved their capacity to tackle complex algorithmic problems. Gain experience in competitive coding environments.
- Students gained exposure to real-time coding competitions, building confidence for future contests.
- Students learned to write optimized, efficient code under tight deadlines.

## Detailed Report:

### Introduction:

The Learning Out Loud (LOL) Coding Club hosted its latest Coding competition on 14/09/2024, attracting enthusiastic participants from second, third, and final-year students. This highly anticipated event tested each student's ability to problem-solve on the fly, with diverse challenges created to match their academic level.

### Schedule:

- **Date:** 14/09/2024
- **Time:** 11:30 a.m. - 12:30 p.m.
- **Location:** CSE Department Labs

### Problem Descriptions:

- **Second Year:** Focused on basic matrix manipulation and string compression to test foundational programming skills.
- **Third Year:** Included matrix traversal and string manipulation.

- **Fourth Year:** Consisted of graph algorithms and dynamic programming problems to test their expertise in advanced algorithms and optimization techniques.

### **Attendance and Participation:**

The contest saw enthusiastic participation from students across the second, third, and fourth years. Over 30 participated in the contest, showcasing their coding skills and competitive spirit.

### **Rewards and Recognition:**

To acknowledge the achievements of the participants, winners were selected based on their performance and the accuracy of their solutions.

### **Coding Contest Winners :**

#### **SY :**

**Winner** - Gururaj Gurram SY CSE A

**Runner** - Suyog Habbu ST CSE A

#### **TY :**

**Winner** - Sanjana Mutkiri TY CSE B

**Runner** - Sandeep Kharate TY ENTC A

#### **BE :**

**Winner** - Jainam Rupani BE CSE B

**Runner** - Aarti Sathe BE CSE B

### **Feedback**

Participants were invited to share their feedback on the workshop content, delivery, and organisation. Feedback forms were distributed and collected to assess the effectiveness of the sessions and gather insights for future improvements and enhancements.

## Coding Contest Feedback

How would you rate the overall organization of the coding contest?

 Copy

20 responses

Was the contest schedule clear and well communicated?

 Copy

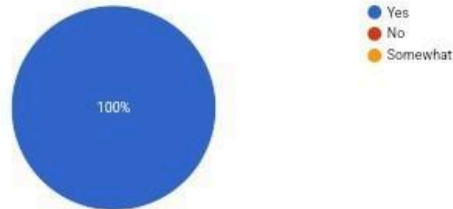

20 responses

Was the contest platform/user interface user-friendly?

 Copy

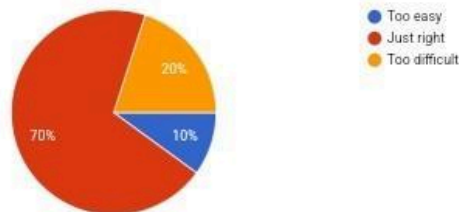

20 responses

How would you rate the difficulty level of the problems?

 Copy

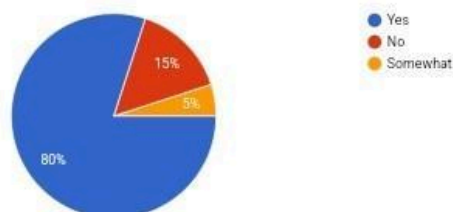

20 responses

Were the problem statements clear and well-defined?

 Copy

20 responses

Did you encounter any issues with the contest problems (e.g., bugs, unclear instructions)? If yes, please specify

7 responses

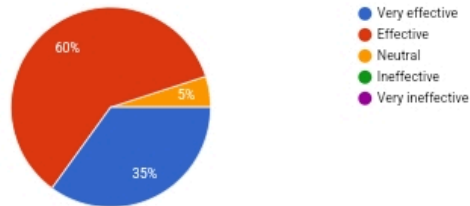

No

no

How effective was the communication from the organizers before and during the contest?

 Copy

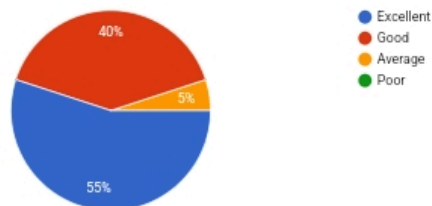

20 responses

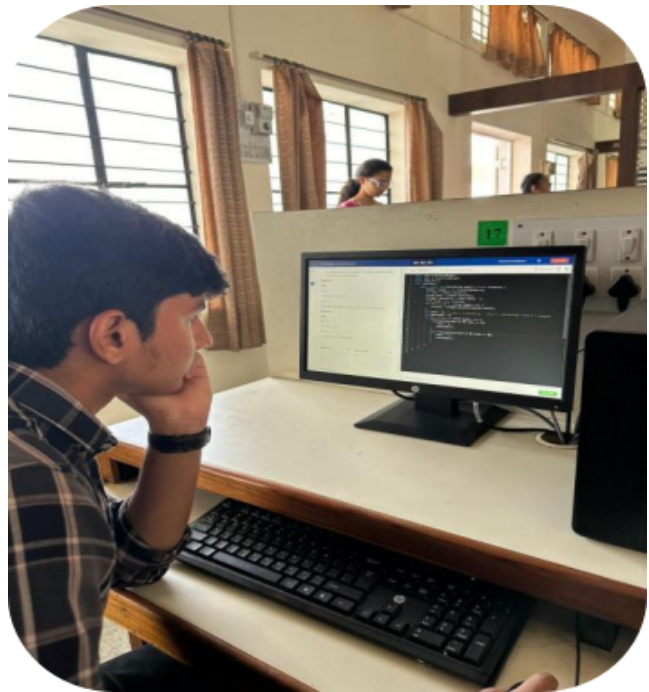

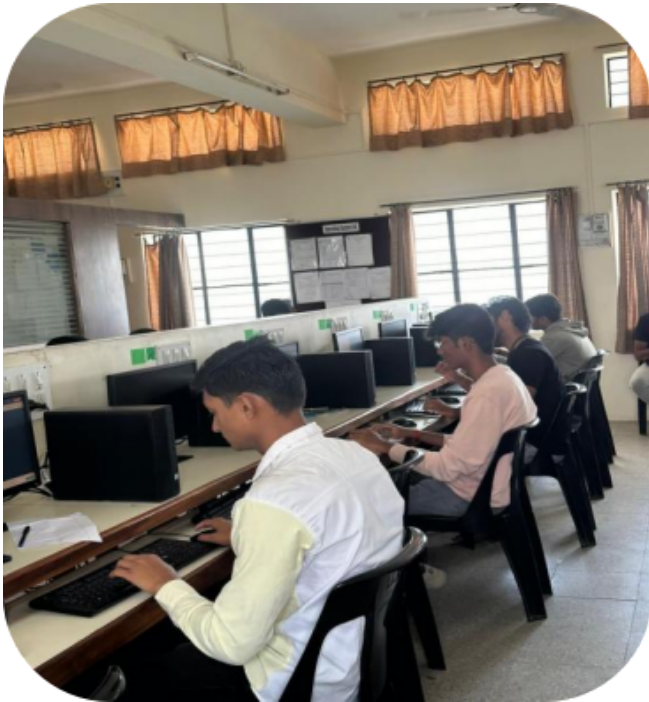

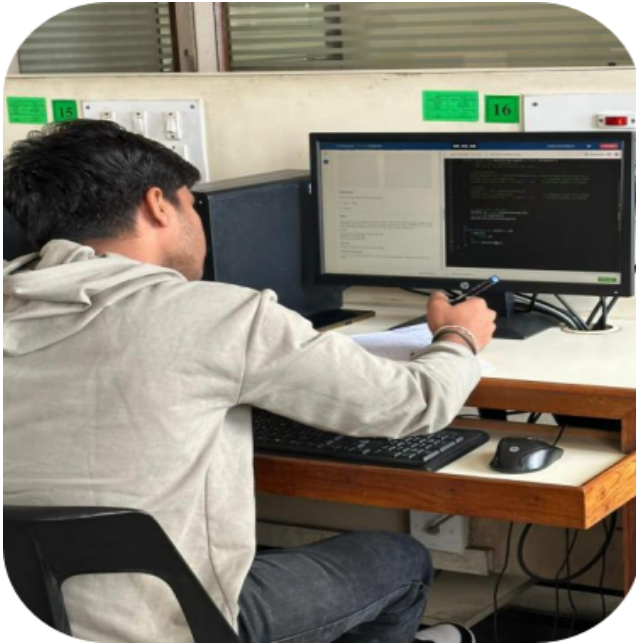

How would you rate your overall experience in the coding contest?
